General Contracting LLC

About Us

Renowned for global standards in quality, safety, efficiency, and durability, Veto General Contracting Company offers exceptional road construction services designed to meet the unique needs and requirements of our clients. As professional asphalt paving contractors with 27 years of excellence, our team of skilled professionals specializes in the design, construction, and maintenance of various types of roads and highways for residential, commercial, and industrial projects across the UAE. We owe our longevity to consistently providing exceptional value, superior customer service, and the highest quality workmanship.

Introduction

OUR REPUTATION IS BUILT ON INTEGRITY AND TRUST

Each project begins with an on-site visit, followed by a professional, clear, concise, and detailed proposal. Upon acceptance of the proposal, a work schedule is put in place that caters to the client's request. Our courteous, professional, and highly experienced crew arrives at the job site prepared and ready to perform the work from start to finish. The fleet of equipment we use is constantly updated to maintain the highest level of quality of the finished product. Upon completion, the work

site is cleaned of debris. Commercial and industrial asphalt paving has always been and continues to be our specialty. We also provide storm drain repairs, stone installation/grading, and asphalt maintenance services. Experience the peace of mind, exceptional quality, and satisfaction that Veto General Contracting LLC has been providing to its customers for the past 27 years.

Our Vision

Driving UAE Forward, One Road at a Time !

We aspire to lead the construction industry by adopting advanced technologies and adapting to client needs, diversifying skills to stand out and better serve clients.

Our Mission

Ensuring Durability and Safety in Every Road Project !

We are committed to delivering road construction services all across the UAE, always aiming to provide high value with safe, high-quality work.

Our Services

Explore our extensive range of road construction services designed to meet the unique demands of the UAE's infrastructure. From durable asphalt and concrete roadways to expert highway construction, we ensure smooth, safe transportation.

ASPHALT AND CONCRETE ROADWAYS

We construct and maintain durable and long-lasting asphalt and concrete roadways, ensuring smooth and safe transportation.

HIGHWAY CONSTRUCTION

Our team of professionals is proficient in the design & construction of highways and expressways, ensuring efficient and convenient transportation infrastructure.

TRAFFIC MANAGEMENT AND ROAD SAFETY

We design and implement traffic management and road safety measures, such as signage, traffic signals, and barriers, to ensure the safety of all road users.

ROAD MAINTENANCE AND REHABILITATION

We provide ongoing road maintenance and rehabilitation services to ensure the optimal performance and longevity of your road infrastructure.

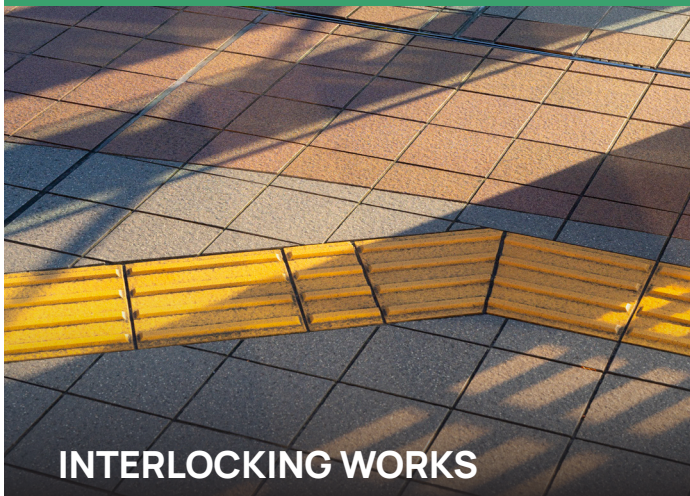

EARTH WORKS

Our careful Earth Works process ensures that every project we undertake across the UAE is built to last, with strong foundations that ensure safety and durability.

DRAINAGE & SEWERAGE WORKS

We specialize in drainage and sewerage works to ensure efficient water management alongside road infrastructure. With expertise in sewerage solutions, we enhance the functionality and longevity of road networks, ensuring sustainable development across the UAE.

INTERLOCKING WORKS

We specialize in designing and installing interlocking patterns that enhance the aesthetic appeal and durability of walkways, driveways, and public spaces.

PAVEMENT MARKING (HOT & COLD APPLY)

By maintaining precision and following strict safety guidelines, we ensure smooth traffic flow and improve road safety across the UAE.

KERBSTONE WORKS

We carefully design and install kerbstones to mark pedestrian paths, driveways, and parking areas. Our expertise ensures durable and attractive kerbstones that enhance safety and facilitate smooth traffic flow throughout the UAE.

STREET LIGHTING WORKS

Our focus on quality and efficiency guarantees reliable street lighting solutions that contribute to a safer and more accessible road network.
